- Reliability and efficiency

HISTORY

Previously operating under **Kaltim Express Pte Ltd, Spedco Kaltim Pte Ltd** started operations in 1980 as a freight forwarder specializing in freight services from Singapore to Balikpapan, supporting the oil and gas industries in East Kalimantan. Ever since, Spedco Kaltim has broadened its product offerings and the geographical regions served.

Spedco Kaltim maintains its lead role as one of the most efficient logistics solutions provider for the Singapore to Indonesia route. Over the

years, Spedco Kaltim has broadened its scope to include delivery to ports of Indonesia such as Balikpapan, Banjarmasin, Jakarta, Medan and Surabaya.

Customers can now count on **Spedco Kaltim** to provide logistics and shipping related solutions such as but not limited to:

- Delivered Duty Paid Shipments (DDP)
- Delivered at Place Shipments (DAP)
- Customs Clearance

- Import and Export Processing
- Warehousing
- Special Handling Equipment Rental such as Crane and Wire ropes
- Trucking Arrangement
- Cargo Survey

Spedco Kaltim started out as a forwarding contractor to support the oil and gas industries in East Kalimantan. Today, in addition to the marine, oil and gas industries, Spedco Kaltim plays a critical role in supporting the Indonesian coal mining industry which produced over 340 million metric tons (mt) of coal in 2011.

FACILITIES

Spedco Kaltim Pte Ltd is under the Major Exporter Scheme (MES) in Singapore. As a major exporter, **Spedco Kaltim** is in an advantageous position to handle transshipments. All shipments into Singapore are subject to 7% goods and service tax (GST). MES allows Spedco Kaltim to handle imports and transshipments into Singapore without having to incur 7% GST.

Spedco Kaltim offers handling and logistics services in Singapore and Indonesia such as

- Shipment tracking
- Customs clearance
- Import and export documentation
- Trucking
- Storage space
- Cargo survey
- Forklift, crane, heavy equipment rental, etc
- Adequate loading facilities allow handling of 20-foot and 40-foot containers.
- Shipments handled by warehousing personnel and professional packing experience

AIR FREIGHT

Spedco Kaltim organizes direct consolidated air freight shipments from Singapore to Balikpapan several times a week. All air freight Delivered Duty Paid Shipments (DDP) shipments are cleared and delivered within 2 working days upon flight arrival in Balikpapan.

Spedco Kaltim prides itself for this very fast and prompt service by industrial standards.

This prompt service is crucial when companies are racing to meet deadlines or in time of emergencies.

We provide the same quality services to other parts of East Kalimantan:

- Banjarmasin
- Bontang
- Handil

- Samarinda
- Sanggata
- Tarakan

Shipments to other ports in East Kalimantan are usually redistributed from Balikpapan.

Spedco Kaltim also offers quality forwarding services to other major ports in Indonesia like Jakarta, Medan and Surabaya.

Clients can choose the type of forwarding service they require according to their needs:

- Delivered Duty Paid Shipments (DDP)
- Delivered at Place Shipments (DAP)
- Port to Port

For DAP and Port to Port services, the consignee arranges customs clearance or authorizes PT. **Spedco Kaltim** in Balikpapan to process customs clearance on their behalf.

SEA FREIGHT

Direct consolidated sea freight shipments to Indonesian ports are scheduled regularly, depending on vessel availability to Balikpapan, Jakarta and Surabaya.

Clients can choose the type of forwarding service they require according to their needs:

- Delivered Duty Paid Shipments (DDP)
- Delivered at Place Shipments (DAP)
- Port to Port

For DAP and Port to Port services, the consignee arranges customs clearance or authorizes **PT. Spedco Kaltim** in Balikpapan to process customs clearance on their behalf.
